Dear Sir:

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT
UNDER 37 CFR §1.97(b)

Pursuant to 37 CFR §§1.56 and 1.97(b), Applicants bring to the attention of the Examiner the documents listed on the attached Form PTO-1449. This Information Disclosure Statement is being filed more than three months after the filing date of the above-referenced application but, to the undersigned's knowledge, before the mailing date of a first Office Action on the merits for the above-referenced application.

Alternatively, in the event that a first office action was mailed prior to the filing date of this Supplemental Disclosure Statement, Applicants hereby state that each item of information contained in the information disclosure statement was first cited in a communication from a foreign patent office in a counterpart foreign application, and this Information Disclosure Statement is being filed within three months of the mailing date of that communication.

Applicants : Steven N. Kaganove et al.
Appln. No. : 10/068,378
Page : 2

Copies of the listed documents are submitted herewith along with Form PTO-1449. Applicants respectfully request that the Examiner consider the listed documents and evidence that consideration by making appropriate notations on the attached form.

The listed documents were cited in the European Search Report which issued from a corresponding European Patent Application. A copy of the European Search Report is included herewith. The European Search Report is not a reference, and Applicants do not necessarily subscribe to any of the statements contained therein.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed documents are material or constitute "prior art." If it should be determined that the listed documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 16-2463.

Respectfully submitted,
STEVEN N. KAGANOVE ET AL.
